I didn't know there are different types of lifestyles

Blog Title :
Types of Life Styles

What topic should I choose for my project ?

Every lifestyle has it's own pros and cons

So there are lots of lifestyles and some lifestyle expense are affordable and some are expensive

There are lots of blog title for my project.

Creating a Blog using Wordpress

Decided to create a blog using Wordpress

I don't know anything about creating blogs creation

Used Ai tool - Copy AI to create content for the blogs

Used Grammarly to check any grammar correction in the content generated by the content AI

Created a domain name and pasted the content along with images related to it and published with the help of wordpress.

I and my team had a hard time to choose a topic for blog creation because of the number of topics avaiable

There are tons of topic to choose for my title
